

Road Maintenance in Your Area

Patch Repair Works

Cornford Lane, Pembury, Tunbridge Wells

When we plan to carry out the work and how long it will take

This is to inform you that as part of the on-going maintenance and improvement of the highway network, Kent County Council will be carrying out patching repair work to the carriageway of **Cornford Lane, Pembury, Royal Tunbridge Wells**, between the **junctions of Halls Hole Lane and Pembury High Street**.

These works will start on **30th November, 2017**, and should take **3 days** to complete, with working hours between **9.30am and 3.30pm**.

This type of work can be affected by bad weather, so if it is not possible for us to carry it out at this time, we will arrange a new date and let you know via a letter drop to your home. We will also put up signs along the road before we start showing the date we plan to start work.

During these essential works it will be necessary to close the road completely so that we can carry out the works safely for both the workforce and road users. The diversion route will be via **Pembury High Street, Pembury Road and Halls Hole Road**.

(And vice versa)

How you can help

It is inevitable that residents and businesses near the works will experience some disruption, but we will try to keep this to a minimum. Any pavements will remain open at all times, but vehicle access to some properties may need to be restricted for a short period.

If you have any particular access needs, please let the workforce on site know.

We need your help to make sure the work is done as quickly as possible and to the best possible quality.

If your vehicle is usually parked on the carriageway, please make sure you park it somewhere else away from this site whilst these works are carried out, so the road is clear for us to make these repairs.

If you need more information, please call us on **03000 41 81 81**

You can also visit our website www.kent.gov.uk/highways to find out how we look after the roads throughout Kent or report any faults you find on our roads.

For your safety and the safety of our workforce, please drive carefully and slowly through the roadworks.
